

SAMPLE “7 YEAR FOLLOW-UP” LETTERS

Dear 7years2:

It's Month #2 in your new home and, chances are, you're still living out of a few boxes— or looking for the boxes that have somehow succeeded in eluding you.

Moving in and getting settled is a huge undertaking. I know, because I'm involved in the process every day. If there's something you need—supplies, a question answered, the phone number of a vendor or a workman, maybe you just need help locating a few missing boxes—please don't hesitate to call.

My interest in your complete satisfaction continues.

All my best,
